- ? What is Klarna? (Frequently Asked Questions)
- **What is Klarna?**
- *Klarna is a secure payment service that lets you split your purchase into smaller payments over time instead of paying the full amount all at once.*
- **How does it work?**
- *If you choose Klarna, your total will typically be split into **4 equal, interest-free payments**. You make the first payment today, and the remaining three are automatically charged to your card every two weeks.*
- **Are there extra fees or interest?**

- No. There is **zero interest** and no added fees as long as your scheduled payments are paid on time.
 - **Will it affect my credit score?**
 - No. Choosing Klarna only performs a quick, "soft" check to approve the purchase. It **will not lower your credit score**.
 - **Is this connected to Harmony Thiessen Art?**
 - No. Klarna is a completely separate, independent billing service. All payment schedules, automatic reminders, and billing transactions are handled directly through Klarna, not through our studio.
